ABOUT US

Verified Recording Studio, located in El Paso, TX, is dedicated to helping new and experienced artists further their careers. We understand how complex this business world of music can be, so we make every experience at Verified beneficial to the artist career. With our core mission always in mind, to help artists bring their vision to life, we have a package to fit all your needs.

OUR TEAM

Our team is staffed with 5 engineers that specialize in various genres, 2 engineers that are ProTools certified and 3 in house producers. From jingles to songwriting to custom beats, we have a team readily available to meet the creative needs of any artist.
At Verified, we strive to provide our guest a relaxing environment and unmatched vibe with hopes to enhance their creativity and push them beyond their creative levels of comfort. Music is passionate and personal; so we thank you in advance for in trusting our team with your vision and dream.
